SHE'S SO FINE

PIZZUTO

Designer Suzie Rose Vella has created a range of fun, fearless women's wear with a chic, sassy attitude. Slim silhouettes mingle alongside flirty skirts and elegant draping to create a sexy and distinctly European influenced edge. Using hand-painted silks and bold colours, Pizzuto's Australian made range is one of the highlights of the summer party season. The secret is in the razor-sharp detailing... cinched in waists and sculpted necklines reign supreme. Best worn with a pair of sky-high heels, Pizzuto oozes unstoppable glamour for the modern woman.
